

SAI SEVA SANGH
QUARTERLY REPORT
APRIL – JUNE 2020

This year has been quite challenging for all of us due to the unexpected pandemic affecting the world.

This newsletter is an attempt to bring the positives and impact that has been made by Sai Seva Sangh with the support of many organizations and individuals.

April - Started with distribution of dry ration for 100 families with the support of Tech Mahindra Foundation. These families belong to the Moosapet slum area who are parents of our students studying in Satya Sai Vidya Mandir High School. They are migrant labourers. This distribution helped them to stay back without migrating to their homes in the current challenging circumstances. Distributed to 100 parents and 60 inmates in the shelter.

May - Celebrated Ramazan with our children at home. Had Group prayers and explained the importance of Ramzan to children. Children witnessed how important it is to take care of those in need bringing in a sense of Humanity. As an organization we did our part in giving rations for those in need.

Staff volunteered by making hand sanitizers during this covid times.

June - Telangana Formation day was celebrated by the students at home by taking all precautions and safety measures.

It was indeed a proud moment for Satya Sai Vidya Mandir School when Students won the Science Inspire Awards jointly conducted by the Department of Science and Technology, Government of India & National Innovation Foundation - India.

Students planted saplings on the eve of World Environment Day by showing gratitude to mother nature & acknowledge the importance of the air we breathe today.

Students also celebrated the International Yoga Day understanding the importance of the same in day to day life in synergizing the energies towards higher level of consciousness.

10th results: 100% passed out this year (assessment based on past FA scores during the year as directed by the government).
